Codified World By Vilém Flusser (Published: 1978)

"The work is an essay in which the author discusses the chaos in which we find ourselves today, raising the possibility of a future balance between man and his environment which would arise from the emergence of a new sense of reality." https://www.academia.edu/39881370/ _THE_CODIFIED_WORLD_O_mundo_codificado_Vil%C3%A9m_Flusser
