Swarmmachines

By CCRU
(Published: 1996)

<center>The situationists.

<center>Neither individuals nor groups. Neither remembered nor expected.

<center>Photonic Hypercapital digitizes eschatology. Lost futures are formatted for web-based artificial memory trading. All exclusive definition is banked at light-speed.

<center>Cryonic mummification into undead Spectacle.

<center>Real subsumption into the media.

<center>Virekonomics.

<center>How do situational vectors cross World-War-4?

<center>All code-process is military manoeuvre: constrictions and escapes, intelligence collection, disinformation, mapping, virus.

<center>Truth and falsity are derivative factors, and strictly technical, in relation to the primary and secondary features of alignment and orientation.

<center>Strategic power consolidation, tactical melting into the jungle.
